

K-LOVE HAS to stay on the air. It serves the community as a place to turn to when no other place can help. When you need a prayer they are there day and night to listen and pray with you. As a christian, there is no other station I would allow my children to listen to without having to worry. K-LOVE plays music my whole family loves to hear. This community needs clean, decent music with positive and encourageing words to help us get through our troubled days easier. Plus, when driving in this traffic it REALLY helps calm you down. I believe everyone deserves to know about God and his love for us, K-LOVE HELPS GET THE WORD OUT!! PLEASE KEEP IT ON THE AIR!!!
